EXPERIENCE-WORK

- **I was employed at the Community Development Association in Salamouni from 2020 to 2022.**

I volunteered at the organization and underwent extensive training in communication, interaction, and leadership. Engaging in various activities like seminars, international children's events, and awareness sessions for different age groups, I acquired valuable experience in interpersonal skills. Additionally, I honed my office computer skills through practical application.

- **I was employed at Happy Land Al Kawthar Library from 2023 to 2024.**

I worked in the library using the computer, focusing on Office programs for scientific research. Additionally, I performed device software maintenance and completed software projects for information systems students.

- **Graduation Project for the Higher Institute of E-Commerce Systems 2023-2024**

I referenced the graduation project due to its unique nature, comprising multiple interconnected projects. This endeavor significantly enhanced my skills in website development, enabling me to create sophisticated web projects using PHP, MySQL, HTML, and CSS.
